by Sir,

I have the honour to forward herewith for kind perusal and return with instructions, if any, my draft report on "Industry in Mysore", which forms an Appendix to the Census Report. The statements etc., referred to therein are not enclosed as they are still under verification. The report may kindly be returned as early as possible for being sent to the press.

It is my intention to publish each Appendix as a separate pamphlet and sell it at cost price so that it may be within the easy reach of persons interested in the particular subject. If this idea commends itself to Government, this will be published with a Foreword by Sir M. Visweswaraya, if he will be so kind as to agree. I request the permission of Government to approach Sir M. Visweswaraya. In this connection, kind reference is invited to the correspondence ending with the Financial Secretary's letter No. Fl.3694 dated 10th December 1941

I have the honour to be,
Sir,
